

ARE YOU PREPARED FOR THE COST PLAN TRANSATION IN 2019?

Educational seminars

Starting in July, we will be hosting educational seminars to help clients reprioritize what qualities are most important in their plan. We will review Medicare plan types, MACRA legislation, and key features of different types of plans available to you. Below are the dates and times for the seminars. Please note that we will not be able to disclose 2019 plan specific details until after October 1st.

Events are for educational purposes only.
